Presents

The 17th Annual Candidates' Symposium for Mental Health Professionals

Countertransference in An Analysis

Sunday, Feb. 12, 2012, 3:00 p.m. to 6:00 p.m.

At the Rockville Hilton Hotel

The principal mission of the JICC is to provide an opportunity for the analytic community to meet and discuss detailed case material in a setting that makes it possible for members of the greater mental health community to learn more about psychoanalysis as it is practiced and taught today. Representatives from each of the 5 training institutes in the Washington metropolitan area will discuss their understanding of the patient's inner world, the analytic relationship, and the use of technique.
